

Life with a Passion inspires confidence!

Life with a Passion explores the universal aspects of life. It provides spiritual guidance applicable to age-old and contemporary wisdom, with no dogma or absolutes. Explore the gifts unique to your soul and goals. Set your sights high, for there are limitless possibilities when you choose empowerment. Twenty-eight exercises provide a way to change life habits and it can restore hope for your financial reality. It can inspire the entire family as well as individuals who want to craft a new destiny.

Sonja Onthank

Living her life with passion.

This book will help you appreciate the choices you have made, while reinforcing a better outlook for the future. It is a story of courage and tenacity. It is a feel-good experience. ***Life with a Passion*** reinforces immediate considerations for today using a focus on your passions. Participate with the resourceful Life Empowerment Makeover® (the exercises at the back of this book), and you will find an interactive approach to improving family relations. This book is a discussion for most anyone to enjoy. For those interested in the "how-to" approach, there will be a lesson on how to assert enthusiasm back into your life.
